PLEASE NOTE:

** This number will be validated using available staffing data prior to final allotment of funds.

2. Attestation

* By checking this box, the PSU attests that:

Funds will be used to administer a one-time, lump sum bonus of one thousand dollars (\$1,000) by January 31, 2022 to every qualifying teacher whose salary is supported from State funds and who, as of January 1, 2022, is employed as a teacher in a public school.

No later than January 31, 2022, the governing body of the unit will define documentable criteria for determining whether a teacher is a qualifying teacher, including the range of eligible teachers and instructional support personnel and the standards for determining whether the employee has completed a training that meets the requirements of NC SL 2021-180 Section 7.27(a). Per NC SL 2021-180, qualifying teachers are teachers or instructional support personnel who participate in one or more trainings between March 12, 2020, and January 1, 2022, that address the mitigation of COVID-19 in public schools, learning loss resulting from the COVID-19 pandemic, or virtual instruction needed because of the COVID-19 pandemic.

The bonuses awarded shall be in addition to any regular wage or other bonus the teacher receives or is scheduled to receive.

Bonuses awarded pursuant to this subdivision will not be provided to any teacher no longer employed as a teacher due to resignation, dismissal, reduction in force, death, or retirement or whose last workday is prior to January 1, 2022.

Funds provided shall supplement the compensation of eligible employees and shall not supplant any existing compensation funds.

3. Attestation

* By checking this box, the PSU attests that it will comply with all requirements applicable to grant funds issued by the U.S. Department of Education, including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements (2 C.F.R. 200) and the requirements for State Administered Programs within the Education Department General Administrative Requirements (34 C.F.R. The PSU will establish and maintain effective control over the funds that provides a reasonable assurance that the PSU is managing the Federal award in compliance with Federal statutes, regulations, and the terms and conditions of the Federal award, as required under 2 C.F.R. 200.303(a). These internal controls should be in compliance with guidance in the "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States or the "Internal Control Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

The PSU will retain any financial records, supporting documents, statistical records, or other agency records pertinent to the Federal funds for a period of three years from the date of submission of the final expenditure report as required under 2 C.F.R. 200.334. In the event that there is any litigation, claim or audit that is started prior to the expiration of the three-year period, the PSU must retain all records until the litigation, claims or audit findings involving the records are resolved and final actions taken.
